Re: *Sand v. Greenberg*, 08 Civ. 7840 (PAC)

Dear Judge Crotty:

We represent Plaintiffs in the above-referenced matter. We are pleased to inform the Court that the parties have agreed on the material terms of a settlement of the fee dispute in this matter, subject to Defendants' final review of Plaintiffs' time records.

In order to give Defendants time to conduct their review and the parties time to memorialize the agreement, the parties respectfully request that the Court adjourn the briefing schedule for Plaintiffs' fee petition *sine die*. Should the settlement fall through, the parties will contact the Court to request a new briefing schedule. If the agreement is finalized, Plaintiffs will move for Court approval of the fee settlement in advance of the October 5, 2011 final approval hearing.

This request does not affect any other deadlines. This is the first request for an extension of this deadline. Defendants consent to this request. We thank the Court for its attention.

Respectfully submitted,

Justin M. Swartz
